LOCATION

Radshape is situated in a prime location in Birmingham City Centre outskirts in Aston directly adjacent to the A38M Aston Expressway with J6 M6 North 7 South bound 5 mins from the premises. The premises less than 1 mile from Birmingham City Centre and Business District. The premises are also adjacent to the A34 Ring Road and the M5 easily accessible being less than 8 miles away. The site sits within an Golden Triangle Location for distribution with the Royal Mail main sorting hub less than 200 yards from the premises providing excellent distribution for online and or parcel reliant companies. The premises further benefit from being located outside the chargeable clean air zone saving thousands.

DESCRIPTION

The premises are constructed of steel portal frame with 30 % natural roof lights all newly installed for excellent natural light internally, there is newly installed high bay low energy led lights throughout, newly wired also. The premises benefit from dual loading doors at each end of the unit which is rare and making loading and unloading far more efficient. Externally the premises have newly built brick elevations with floor to ceiling aluminium glazed curtain wall frontages suitable for use as a trade counter and or office, offices are fully refurbished and ready for occupation. There is also WC facilities and kitchen area. The premises benefit from a large concrete communal access and unloading yard. We understand the roof is up to 6.5 in height maximum. The premises are in excellent condition. Surrounding occupiers Royal Mail, CEF, BSS, Guest Trucks, VW, National Express etc.
